4. [] The benefit under 35 USC §119 is claimed of the filing date of: Application No. _____ in _____ on _____. A certified copy of said priority document [] is attached [] was filed in progenitor case _____ on _____.
5. [] Amend the specification by inserting, immediately after the title, the sentence:
6. [] Certain documents were previously cited or submitted to the

Patent and Trademark Office in the following prior application _____, which is relied upon under 35 USC §120. Applicants identify these documents by attaching hereto one or more form PTO-1449 and/or form PTO-892 listing these documents, and request that they be considered and made of record in accordance with 37 CFR §1.98(d). Per 37 CFR §1.98(d), copies of these documents need not be filed in this application.

While an IDS filed under §1.97 must contain a "list of all patents, publications or other information submitted for consideration by the Office", see §1.98(a)(1), the only requirement for the list is that it provide the information set forth in §1.98(b). There is no requirement that a form PTO-1449 be used (MPEP §609 merely says that use of this form is "encouraged") and no prohibition on submitting a copy of a form PTO-1449 or form PTO-892 from a prior case. Indeed, the re-use of such forms is desirable as it avoids error in transferring the information, and evidences that the reference was considered in a prior application. A previously accepted PTO-1449, or an examiner-prepared PTO892, necessarily complies with §1.98(b).

7. If reliance is made on a declaration filed in a prior application, then

[X] The undersigned attorney of record hereby revokes the powers of attorney of:

XX NICK S. BROMER, Reg. No. 33,478

[X] The undersigned attorney of record hereby appoints associate power of attorney, to prosecute this application and to transact all business in the Patent and Trademark Office in connection therewith to: XX JAY M. FINKELSTEIN, Reg. No. 21,082

[X] Any additional filing fees required under 37 CFR §1.16.

[X] Any patent application processing fees under 37 CFR §1.17.

[X] The Commissioner is hereby authorized to charge payment of the following fees, based on any paper filed during the pendency of this application or any CPA thereof, to effect any amendment, petition, or other action requested in said paper or credit any overpayments to Deposit Account No. 02-4035:

Notice of Allowance, pursuant to 37 CFR §1.311(b).

[X] If a paper is untimely filed in this or any CPA thereof by

CFR §1.136(a) for the minimum extension of time required to make
said paper timely. In the event a petition for extension of
time is made under the provisions of this paragraph, the
Commissioner is hereby requested to charge any fee required
under 37 CFR §1.17 to Deposit Account 02-4035.

[X] The Commissioner is hereby authorized to credit any overpayment
of fees accompanying this paper to Deposit Account No. 02-4035.

9. [X] The \$120 reference on page 1 has been updated, and revised to
